

The Cup O' Joe Café, with its bright and cheerful décor, invites residents, families, staff and persons from the community to enjoy a cup of coffee and conversation.

Café hours for serving food are longer to accommodate more persons, and food offerings are expanded to include specialty items such as Panini sandwiches, salads, and soups.

Special educational programs will also be held throughout the month at specific times, and persons from the community will be welcome to attend. Topics can range from wellness, to spirituality to musical offerings. Let us know your interests in program topics. Our focus is building personal relationships, one cup of coffee at a time!
